AM. J. DRUG ALCOHOL ABUSE, 10(4), 609-615 (1984)

Index to Volume 10

A

Acampora, A., 347-359
Addicts
  personality characteristics of, in methadone maintenance and therapeutic community, 97-111
  See also Heroin addicts; Narcotic addicts; Opiate addicts
Adolescents
  alcohol use by, relationship of to family structure and race, 467-478
  drug abuse by, effect of teacher training in primary prevention on, 223-235
Age, effect of on heroin use by Black females, 39-52
Alcohol beverage restrictions. *See* Restrictions, alcohol beverage
Alcoholics
  cross-cultural study of using MALT, 429-446
  homeless women, on Skid Row, 535-549
  in outpatient treatment, drug use by, 529-534
Alcoholism
  diagnosis of in patients with anorexia nervosa, 461-466
  intensification, paradoxical shifting, and differentiation in counseling for, 403-415
Alcoholism screening. *See* Michigan alcoholism screening
Alcoholism services, social indicators technique in needs assessment for, 417-427
Alcoholism treatment outcomes. *See* Treatment outcomes, alcoholism
Alcoholism treatment
  for DWI offenders, 447-459
  with environmental support contracting, 589-605
Anderson, S. C., 535-549
Anorexia nervosa, diagnosing alcoholism in patients with, 461-466
Asher, R., 113-124
Attention, of offspring born to women on methadone maintenance, 195-207

B

Badgett, S., 589-605
Ball, J. C., 481-489
Beck, K. H., 519-528
Bell, R., 551-561
Bernstein, V., 161-193
Beshai, N., 417-427
Bigelow, G. E., 209-221
Black females. *See* Females, Black
Blacks, in northern California, drinking patterns of, 571-587
Books received, 315, 479, 607-608
Brisset, D., 113-124
Bruner, C. Z., 429-446
Byram, O. W., 467-478

C

Caetano, R., 571-587
California, northern, drinking patterns of Blacks in, 571-587
Clinical issues, in treatment of Mexican-American heroin addicts, 335-338
Collaboration, in treatment, between methadone maintenance and therapeutic communities, 347-359
Compliance, with naltrexone treatment, 249-266
Consumption, longitudinal study of effect of alcohol beverage restrictions on, 375-401
Corrigan, E. M., 535-549
Counseling, for alcoholism, intensification, paradoxical shifting, and differentiation in, 403-415
Crimes, commission of among narcotic addicts in periods of addiction and nonaddiction, 481-489
Criminality, of Mexican-American heroin addicts, 321-322
Cross-cultural study, of alcoholics, using MALT, 429-446

D

Deitch, D. A., 347-359
De Leon, G., 267-285
Demographic characteristics, of Mexican-American heroin addicts, 320-321
Desmond, D. P., 317-346
Diagnosis, of alcoholism in patients with anorexia nervousa, 461-466
Differentiation, in alcoholism counseling, 403-415
Drinking, motivation for, effect of on alcoholism treatment outcomes, 113-124
Drinking patterns, of Blacks in northern California, 571-587
Driving while intoxicated (DWI) offenders, alcoholism treatment for, 447-459
Drug abuse. *See* Adolescents, drug abuse by
Drug abuse prevention
  adolescent, effect of teacher training in, 223-235
  inhalant users in programs for, 503-518
Drug use, by alcoholics in outpatient treatment, 529-534
DWI. *See* Driving while intoxicated (DWI) offenders

E

Ecuadorian alcoholics. *See* Cross-cultural study
Education. *See* Teacher training

F

Families, of Mexican-American heroin addicts, 338
Family environment, perceived, of opiate addicts, determination of by FES, 491-501
Family structure, relationship of to alcohol use by adolescents, 467-478
Feeney, D. J., Jr., 403-415
Females
  Black, influence of sex role expectations and age on heroin use by, 39-52
  See also Homeless women alcoholics; Role convergence
FES. *See* Moos family environment scale (FES)

Fetal exposure, to methadone, effect of, 135-160, 161-193, 195-207
Feuerlein, W., 429-446
Flaherty, E. W., 285-314
Fly, J. W., 467-478
Fox, E., 285-314
Frequency of drug use, relationship of to lifestyle of heroin user, 285-314
Fuchs, B. C., 375-401

G

German alcoholics. *See* Cross-cultural study
Gold, E. O., 125-131
Gorenc, K.-D., 429-446

H

Hans, S. L., 135-160, 161-193, 195-207
Havlicek, P. L., 551-561
Health professionals, effect of non-therapeutic opiate addiction in on performance of, 1-22
Henzel, H. A., 461-466
Herd, D., 571-587
Heroin, relationship between frequency of use of and users life-style, 285-314
Heroin addicts
  Black female, influence of sex role expectations and age on, 39-52
  Chicano, avoidance of relapse in, 63-75
  comparisons of life experiences of with nonaddicted siblings, 237-248
  Mexican-American, 317-346
  See also Narcotics addicts; Opiate addicts
Hoadley, J. F., 375-401
Holder, H. D., 375-401
Homeless women alcoholics, on Skid Row, 535-549
Hospital. *See* Prison hospital

I

Infant behavior, of offspring born to women on methadone maintenance, longitudinal study of, 161-193, 195-207
Inhalants, users of in drug abuse prevention programs, 503-518
Intensification, in alcoholism counseling, 403-415

J

Jeremy, R. J., 161-193, 195-207
Jorquez, J. S., 63-75

K

Kail, B. L., 39-52
Kania, J., 529-534
Kinlock, T. W., 481-489
Kleber, H. D., 249-266, 491-501
Kofoed, L., 529-534
Kosten, T. R., 249-266, 491-501
Kotranski, L., 285-314

L

Lambert, J., 53-62
Life histories
  of heroin addicts and nonaddicted siblings, 237-248
  of Mexican-American heroin addicts, 328-335
Life style, of heroin user, relationship of to frequency of drug use, 285-314
Longitudinal study

of offspring born to women on methadone maintenance
infant behavior at 4 monts, 161-193
maternal characteristics, 135-160
motor coordination and attention of infants, 195-207
of effect of alcohol beverage restrictions on consumption, 375-401
Lukoff, I. F., 39-52

M

McAulliffe, W. E., 1-22
Maddux, J. F., 317-346
Malt. *See* Munich-alcoholism-test (MALT)
Malvin, J. H., 223-235
Marcus, J., 135-160, 161-193, 195-207
Marijuana, police officer attitudes towards, 519-528
Marital environment, perceived, of opiate addicts, determination of by FES, 491-501
Methadone detoxification, self regulation versus physician regulation in, 361-374
Methadone maintenance
addict personality characeristics in, 97-111
choice of naltrexone treatment by patients on, 209-221
effect of on drug abuse rehabilitation, 77-95
longitudinal study of offspring born to women on
infant behavior at 4 months, 161-193
maternal characteristics, 135-160
motor coordination and attention of infants, 195-207
treatment collaboration between and therapeutic communities, 347-359
Mexican-American heroin addicts, 317-346
Michigan alcoholism screening, in prison hospital, 563-569
Mider, P. A., 97-111
Miller, B. A., 447-459
Moos family environment scale (FES), determination of perceived marital and family environment of opiate addicts by, 491-501
Morris, A. J., 135-160
Morrison, C. R., 125-131
Moskowitz, J. M., 223-235
Motivation, for drinking, effect of on alcoholism treatment outcomes, 113-124
Motor coordination, of offspring born to women on methadone maintenance, 195-207
Munich-alcoholism-test (MALT), cross-cultural study of alcoholics using, 429-446

N

Nadelsticher, A., 429-446
Naltrexone treatment
choice of by patients on methadone maintenance, 209-221
compliance with, 249-266
Narcotic addicts
commission of crimes by, in periods of addiction and nonaddiction, 481-489
See also Heroin addicts; Opiate addicts
Narcotic antagonists. *See* Naltrexone treatment
Needs assessment, for alcoholism

services, social indicators technique in, 417-427
Novak, P., 491-501
Nurco, D. N., 481-489

O

Offspring, born to women on methadone maintenance, longitudinal study of
infant behavior at 4 months, 161-193
maternal characteristics, 135-160
motor coordination and attention of infants, 195-207
Opiate addiction, nontherapeutic, in health professionals, effect of on professional performance, 1-22
Opiate addicts
perceived marital and family environment of, determination of by FES, 491-501
See also Heroin addicts; Narcotic addicts
Outpatient treatment, drug use by alcoholics in, 529-534

P

Pacurucu, S., 429-446
Page, R. D., 589-605
Paradoxical shifting, in alcoholism counseling, 403-451
Patterson, C. B., 135-160
Personality characteristics, of addicts, in methadone maintenance and therapeutic community, 97-111
Physician regulation, versus self regulation in methadone detoxification, 361-374
Physicians, substance abusing
characteristics of, 53-62
treatment outcomes of, 23-37
See also Health professionals
Police officers, attitudes of towards marijuana, 519-528
Prevention. *See* Drug abuse prevention
Prison hospital, use of Michigan alcoholism screening in, 563-569
Professional performance, of health professionals, effect of nontherapeutic opiate addiction on, 1-22
Psychiatric status, pretreatment, effect of on drug abuse rehabilitation, 77-95
Psychological studies, of Mexican-American heroin addicts, 322-324

Q

Quantification, of alcoholism treatment outcomes, 125-131

R

Race, relationship of to alcohol use by adolescents, 467-478
Recreational drug addiction. *See* Opiate addiction, nontherapeutic
Rehabilitation, drug abuse, effect of pretreatment psychiatric status, treatment duration and treatment program on, 77-95
Relapse, in Chicano heroin addicts, avoidance of, 63-75
Restrictions, alcohol beverage, longitudinal study of effect of on consumption, 375-401
Retention rates, in therapeutic community, 267-285

Role convergence, in sex differences in alcohol and tranquilizer use, 551-561
Ronek, D. W., 551-561

S

Santos de Barona, M., 503-518
Schaeffer, G. A., 223-235
Schaps, E., 223-235
Schuckit, M. A., 125-131
Schwartz, S., 267-285
Self regulation, versus physician regulation in methadone detoxification, 361-374
Sex differences, in alcohol and tranquilizer use, role convergence hypothesis in, 551-561
Sex roles, effect of on heroin use by Black females, 39-52
Shaffer, J. W., 481-489
Sherman, M. F., 209-221
Siblings, nonaddicted, of heroin addicts, 237-248
Silverman, M. S., 403-415
Simpson, D. D., 503-518
Singleton, E. G., 209-221
Skid Row, homeless women alcoholics on, 535-549
Social indicators technique, in needs assessment for alcoholism services, 417-427
Sorenson, J. L., 347-359
Spanish alcoholics. *See* Cross-cultural study
Spicer, J., 113-124
Summons, T. G., 519-528
Support contracting, environmental, alcoholism treatment with, 589-605
Swett, C., Jr., 563-569

T

Teacher training, in primary prevention of adolescent drug abuse, effects of, 223-235
Tecato gusano. *See* Heroin addicts, Chicano
Therapeutic communities
  addict personality characteristics in, 97-111
  effect of on drug abuse rehabilitation, 77-95
  retention rates in, 267-285
  treatment collaboration between methadone maintenance and, 347-359
Tranquilizers, role convergence hypothesis in sex differences in use of, 551-561
Treatment
  collaboration between methadone maintenance and therapeutic communities in, 347-359
  response of Mexican-American heroin addicts to, 324-327
Treatment duration, effect of on drug abuse rehabilitation, 77-95
Treatment outcomes
  alcoholism
    effect of motivation for drinking on, 113-124
    quantification of, 125-131
  of substance abusing physicians, 23-37
Treatment programs. *See* Methadone maintenance; Therapeutic communities
